January 2019

Dear Prospective St. John's Preschool Families,

St. John's Preschool is very proud of the wonderful program we are able to provide for your child. We are blessed to have such delightful children and supportive families with us.

St. John's Preschool has a blended classroom to provide our children more opportunities for social, cognitive, physical, and spiritual growth. Our curriculum, designed around the Illinois Early Learning Standards and the inclusion of the Common Core Standards for English Language Arts and Math, will foster readiness skills for a successful transition into Kindergarten and beyond. Along with our program, we offer three optional enrichment classes for our 4 & 5-year olds - Loving Literature, Mini Mad Scientists and Little Van Gogh's. To facilitate our transition from preschool class to enrichment class is our Extended Day option of a lunch (lunch provided)/rest time period for our 4 & 5-year olds.

Registration opens for the public on February 4th. We would love for you to come and see what St. John's Preschool is all about at our **Cultural Celebration Open House on January 30th from 6:00-7:30 p.m.** Please feel free to share the news and invitation with other families. We can be reached at 630-355-1669, or e-mail us at preschool@stjohns-episcopal.com with any questions.

Warm regards,

Suzanne Gutknecht and Andrea Collins
Co-Directors
