DCFS regulations state that parents are required to sign their child in and out each day. This can cause a considerable back up in our drop off/pick up line. Our DCFS representative informs us that the teachers may sign the child in and out if we have your permission. We believe that this will make drop off and pick up move more smoothly. Please indicate below with your signature that we have your permission to do this. Please return this form as soon as possible. Thank you for your cooperation in this matter.
